Bubble Blizzard

OPERATIONS

1. PUT ONE OR ANY COMBINATION OF BLADES ON BOLT AND SECURE WITH WING NUT. (THE LARGER HOLES WILL GENERALLY PRODUCE LARGER BUBBLES. FOR MAXIMUM BUBBLE PRODUCTION, USE ALL 5 BLADES)
2. FILL WELL WITH BUBBLE SOLUTION.
3. PLUG INTO ANY HOUSEHOLD OUTLET AND TURN ON SWITCH LOCATED IN BACK OF THE MACHINE.
4. REFILL AS NEEDED.
5. MACHINE SHOULD BE CLEANED AFTER USE. BLADES SHOULD BE REMOVED AND RINSED THOROUGHLY AND DRIED. CLEAN OUTSIDE OF CASE WITH SPONGE AND WARM WATER. **DO NOT** SUBMERGE BUBBLE BLIZZARD OR POUR WATER INTO FAN OR BLOWER TUBES.

SOLUTION

WE RECOMMEND COMMERCIAL BUBBLE SOLUTION (SOLD ANYWHERE) FOR USE WITH THE BUBBLE BLIZZARD. IF BUBBLE SOLUTION IS NOT AVAILABLE WITH THE MACHINE RENTAL , IT CAN BE FOUND IN DRUG, DISCOUNT AND TOY STORES. THE BRAND OF SOLUTION WE RECOMMEND IS CHEMTOY GENERALLY SOLD UNDER THE NAME "WONDER BUBBLES"

CAUTIONS

1. THE BUBBLES PRODUCED BY THE BUBBLE BLIZZARD WILL LEAVE A SLIGHT RESIDUE WHEN BUBBLES BREAK. THIS RESIDUE IS WATER SOLUBLE AND SHOULD NOT HARM MOST SURFACES. CARE SHOULD BE TAKEN HOWEVER, WHEN USING THE BUBBLE BLIZZARD INDOORS NEAR VALUABLE FURNISHINGS. DO NOT ADD ANY DYES OR SCENTED SUBSTANCES TO SOLUTION AS THEY MAY CAUSE DAMAGE.
2. THE BUBBLE BLIZZARD SHOULD BE THOROUGHLY CLEANED AFTER EACH USE. SEE NUMBER 5 UNDER OPERATIONS.
3. THERE IS ALWAYS THE POSSIBILITY OF SPILLAGE WHEN USING THE BUBBLE BLIZZARD. WE RECOMMEND THAT THE BUBBLE BLIZZARD BE PLACED ON A TERRY CLOTH TOWEL WHEN USED INDOORS TO PREVENT ANY DAMAGE FROM THESE UNAVOIDABLE SPILLED NOT USE PAPER TOWELS OR THICK PILE FABRIC, ETC. BECAUSE THESE MAY OBSTRUCT AIRFLOW INTO THE BOTTOM OF THE BUBBLE BLIZZARD.
