

DELIVERY RATES

***Please note-* our delivery fees are based on 1 flat fee per city/town plus mileage from our warehouse, to the delivery location provided from the customer. All delivery fees include delivery and pick up of the items after your event. All delivery prices are based on orders that fill 1 or less truck. In the event that a second truck or trip is needed to complete the delivery, more fees will be added on. All locations *other than Bakersfield* have a minimum order total needed in order to qualify for delivery. Please ask a JoRonCo Rentals representative for more information on this.
